

July through December 1998

## Index to Volume 58

### Key to Index Abbreviations

<i>curb con</i>	Curbside Consultation
<i>diary</i>	Diary from a Week in Practice
<i>ed</i>	Editorial
<i>FDA</i>	FDA Perspective
<i>let</i>	Letter to the Editor
<i>med rep</i>	Special Medical Report
<i>med soc</i>	Medicine and Society
<i>photo</i>	Photo Quiz
<i>res stu voice</i>	Resident and Student Voice

### A

#### accidental death

pictures of fatal bedrail entrapment (*let*), November 15, p. 1755

#### adolescents

ileoileal intussusception with a leading Meckel's diverticulum (*let*), September 1, p. 659

pregnant teen: defusing a family crisis (*curb con*), November 1, p. 1680

use of evidence-based studies in the application of GAPS (*let*), November 1, p. 1550

#### adoption

family physician and international adoption (*ed*), December, p. 1958

primary care of international adoptees (*article*), December, p. 2025

#### AIDS

AIDS patient's right to refuse life-sustaining treatment (*curb con*), December, p. 2161

#### alcohol abuse

management of withdrawal syndromes and relapse prevention in drug and alcohol dependence (*article*), July, p. 139

smoking cessation in recovering alcoholics (*let*), October 15, p. 1304

#### alcohol withdrawal syndrome

management of withdrawal syndromes and relapse prevention in drug and alcohol dependence (*article*), July, p. 139

#### allergy

measles, mumps, rubella vaccine and allergy to egg (*let*), September 15, p. 863

multiple chemical sensitivity (*ed*), September 1, p. 652

multiple chemical sensitivity syndrome (*article*), September 1, p. 721

waist no time (*photo*), October 1, p. 1185

#### alternative medicine

herbal 'health' products: what family physicians need to know (*article*), October 1, p. 1133

herbal medicines and the family physician (*ed*), October 1, p. 1064

#### Alzheimer's disease

advances in the treatment of Alzheimer's disease (*article*), November 1, p. 1511

new drugs for Alzheimer's disease (*article*), October 1, p. 1175

#### aminoglycosides

aminoglycosides: a practical review (*article*), November 15, p. 1811

single daily dosing of aminoglycosides (*ed*), November 15, p. 1747

#### analgesia

complications of epidural analgesia during labor (*ed*), November 15, p. 1743

epidural analgesia during labor (*article*), November 15, p. 1785

guidelines from the American Geriatric Society target management of chronic pain in older persons (*med rep*), October 1, p. 1213

#### anemia

CDC issues guidelines for prevention, detection and treatment of iron deficiency (*med rep*), October 15, p. 1475

iron deficiency anemia: what's the cause? (*photo*), September 1, p. 761

#### anger

understanding anger in parents of dying children (*curb con*), October 1, p. 1211

#### ankle

tibiofibular diastasis in the injured ankle (*let*), September 15, p. 864

#### antibiotics

ACOG releases report on antimicrobial therapy in pregnancy (*med rep*), October 15, p. 1477

acute sinusitis: a cost-effective approach to diagnosis and treatment (*article*), November 15, p. 1795

aminoglycosides: a practical review (*article*), November 15, p. 1811

appropriate use of antibiotics for URIs in children: part I. Otitis media and acute sinusitis (*article*), October 1, p. 1113

appropriate use of antibiotics for URIs in children: part II. Cough, pharyngitis and the common cold (*article*), October 15, p. 1335

bronchodilator therapy in patients with acute bronchitis (*let*), October 15, p. 1303

drug treatment for URIs: back to the drawing board (*ed*), October 1, p. 1066

single daily dosing of aminoglycosides (*ed*), November 15, p. 1747

use of antibiotics in patients with acute bronchitis (*let*), October 15, p. 1303

use of systemic tetracyclines in women who are lactating (*let*), October 15, p. 1306

#### anticoagulation

anticoagulation in elderly persons: a call for wider use (*ed*), July, p. 39

drugs for conversion of atrial fibrillation (*article*), August, p. 471

indications for anticoagulation in atrial fibrillation (*article*), July, p. 130

warfarin therapy for elderly persons with atrial fibrillation (*let*), July, p. 45

#### antidepressants

practical management of treatment-resistant depression (*article*), December, p. 2059

#### antihypertensive therapy

current hypertension control is just not good enough (*ed*), October 15, p. 1292

treatment of hypertension: insights from the JNC-VI report (*article*), October 15, p. 1323

#### antimicrobial therapy

ACOG releases report on antimicrobial therapy in pregnancy (*med rep*), October 15, p. 1477

#### antiretroviral therapy

NIH panel identifies 11 principles for HIV therapy (*med rep*), September 1, p. 783

recommendations for the use of antiretroviral drugs in pregnant women infected with HIV (*med rep*), July, p. 261

#### anxiety disorder

psychiatric review of symptoms: a screening tool for family physicians (*article*), November 1, p. 1617

#### arrhythmia

drugs for conversion of atrial fibrillation (*article*), August, p. 471

indications for anticoagulation in atrial fibrillation (*article*), July, p. 130

# Index to Volume 58

## asthma

- breathing space (*photo*), November 15, p. 1829
- new strategies in the medical management of asthma (*article*), July, p. 89
- respiratory arrest after peak expiratory flow measurements (*let*), September 1, p. 662

## athletes

- heat-related illnesses (*article*), September 1, p. 749
- sickle cell trait and sudden death in athletes (*let*), November 15, p. 1760

## atrial fibrillation

- anticoagulation in elderly persons: a call for wider use (*ed*), July, p. 39
- drugs for conversion of atrial fibrillation (*article*), August, p. 471
- indications for anticoagulation in atrial fibrillation (*article*), July, p. 130
- warfarin therapy for elderly persons with atrial fibrillation (*let*), July, p. 45

## B

### behavior modification

- all thumbs (*photo*), November 1, p. 1647

### beta blockers

- carvedilol: the new role of beta blockers in congestive heart failure (*article*), November 1, p. 1627

### biopsy

- lymphadenopathy: differential diagnosis and evaluation (*article*), October 15, p. 1313

### birthmarks

- Henoch-Schönlein purpura: a review (*article*), August, p. 405

### blood pressure

- current hypertension control is just not good enough (*ed*), October 15, p. 1292
- postexercise systolic blood pressure response: clinical application to the assessment of ischemic heart disease (*article*), October 1, p. 1126
- treatment of hypertension: insights from the JNC-VI report (*article*), October 15, p. 1323

### bone disease

- new devices diagnose osteoporosis without x-rays (*FDA*), September 15, p. 995

### bowel

- constipation in the elderly (*article*), September 15, p. 907
- Richter's hernia with bowel perforation (*let*), August, p. 352

## breast cancer

- breast cancer in older women (*article*), October 1, p. 1163
- impact of family physicians on mammography screening (*ed*), September 15, p. 854

## breast feeding

- use of systemic tetracyclines in women who are lactating (*let*), October 15, p. 1306

## bronchitis

- appropriate use of antibiotics for URIs in children: part II. Cough, pharyngitis and the common cold (*article*), October 15, p. 1335
- bronchodilator therapy in patients with acute bronchitis (*let*), October 15, p. 1303
- office approach to the diagnosis of chronic cough (*article*), December, p. 2015
- use of antibiotics in patients with acute bronchitis (*let*), October 15, p. 1303

## bronchodilator therapy

- bronchodilator therapy in patients with acute bronchitis (*let*), October 15, p. 1303

## buprenorphine

- NIH consensus panel advocates increased access to treatment for opiate addiction (*med rep*), September 1, p. 786

## C

### cancer

- breast cancer in older women (*article*), October 1, p. 1163
- prostate cancer screening (*ed*), August, p. 342
- prostate cancer screening: more harm than good? (*article*), August, p. 432
- radical prostatectomy in the treatment of prostate cancer (*let*), December, p. 1972
- recognizing neoplastic skin lesions: a photo guide (*article*), September 15, p. 873

### cardiac trauma

- respiratory arrest after peak expiratory flow measurements (*let*), September 1, p. 662

### cardiovascular disease

- AHA updates guidelines for carotid endarterectomy (*med rep*), November 15, p. 1898
- anticoagulation in elderly persons: a call for wider use (*ed*), July, p. 39
- cardiovascular risk profiling in blacks: don't forget the lipids (*ed*), November 1, p. 1541
- carvedilol: the new role of beta blockers in congestive heart failure (*article*), November 1, p. 1627

- current hypertension control is just not good enough (*ed*), October 15, p. 1292

- current status of cardiac rehabilitation (*article*), November 15, p. 1778

- drugs for conversion of atrial fibrillation (*article*), August, p. 471

- indications for anticoagulation in atrial fibrillation (*article*), July, p. 130

- postexercise systolic blood pressure response: clinical application to the assessment of ischemic heart disease (*article*), October 1, p. 1126

- treatment of hypertension: insights from the JNC-VI report (*article*), October 15, p. 1323

- warfarin therapy for elderly persons with atrial fibrillation (*let*), July, p. 45

### carotid endarterectomy

- AHA updates guidelines for carotid endarterectomy (*med rep*), November 15, p. 1898

### carvedilol

- carvedilol: the new role of beta blockers in congestive heart failure (*article*), November 1, p. 1627

### chemical dependency

- management of syndromes and relapse prevention in drug and alcohol dependence (*article*), July, p. 139

- smoking cessation in recovering alcoholics (*let*), October 15, p. 1304

### chemical sensitivity

- multiple chemical sensitivity (*ed*), September 1, p. 652
- multiple chemical sensitivity syndrome (*article*), September 1, p. 721

### chest pain

- breathing space (*photo*), November 15, p. 1829

### chicken-pox

- vicious path of varicella in a family (*let*), August, p. 351

### children

- AAP issues policy statement on parental discipline of children (*med rep*), September 15, p. 1001

- AAP releases hepatitis C screening recommendations (*med rep*), October 1, p. 1218

- appropriate use of antibiotics for URIs in children: part I. Otitis media and acute sinusitis (*article*), October 1, p. 1113

- appropriate use of antibiotics for URIs in children: part II. Cough, pharyngitis and the common cold (*article*), October 15, p. 1335

assessment of abnormal growth curves  
(*article*), July, p. 153

drug treatment for URIs: back to the drawing  
board (*ed*), October 1, p. 1066

effectiveness of drugs in the pediatric  
population (*FDA*), September 15, p. 996

evaluating proteinuria in children (*article*),  
October 1, p. 1145

gastroenteritis in children: principles of  
diagnosis and treatment (*article*),  
November 15, p. 1769

Gomco circumcision: common problems and  
solutions (*article*), September 15, p. 891

Henoch-Schönlein purpura: a review (*article*),  
August, p. 405

ileoileal intussusception with a leading Meckel's  
diverticulum (*let*), September 1, p. 659

pediatric vision screening for the family  
physician (*article*), September 1, p. 691

understanding anger in parents of dying  
children (*curb con*), October 1, p. 1211

vicious path of varicella in a family (*let*),  
August, p. 351

#### **cholesterol**

cardiovascular risk profiling in blacks: don't  
forget the lipids (*ed*), November 1, p. 1541

#### **chronic cough**

bronchodilator therapy in patients with acute  
bronchitis (*let*), October 15, p. 1303

chronic cough (*photo*), December, p. 2093

office approach to the diagnosis of chronic  
cough (*article*), December, p. 2015

use of antibiotics in patients with acute  
bronchitis (*let*), October 15, p. 1303

#### **chronic pain**

guidelines from the American Geriatric Society  
target management of chronic pain in older  
persons (*med rep*), October 1, p. 1213

#### **circumcision**

Gomco circumcision: common problems and  
solutions (*article*), September 15, p. 891

#### **colds**

appropriate use of antibiotics for URIs in  
children: part II. Cough, pharyngitis and the  
common cold (*article*), October 15, p. 1335

bronchodilator therapy in patients with acute  
bronchitis (*let*), October 15, p. 1303

office approach to the diagnosis of chronic  
cough (*article*), December, p. 2015

use of antibiotics in patients with acute  
bronchitis (*let*), October 15, p. 1303

#### **congestive heart failure**

carvedilol: the new role of beta blockers in  
congestive heart failure (*article*), November 1,  
p. 1627

current status of cardiac rehabilitation  
(*article*), November 15, p. 1778

#### **constipation**

constipation in the elderly (*article*),  
September 15, p. 907

#### **contraception**

appropriate use of the intrauterine device  
(*article*), December, p. 2077

IUDs: time for a renaissance (*ed*), December,  
p. 1963

oral contraceptive use during the  
perimenopausal years (*article*), October 15,  
p. 1373

use of evidence-based studies in the application  
of GAPS (*let*), November 1, p. 1550

#### **coronary artery disease**

cardiovascular risk profiling in blacks: don't  
forget the lipids (*ed*), November 1, p. 1541

current status of cardiac rehabilitation  
(*article*), November 15, p. 1778

postexercise systolic blood pressure response:  
clinical application to the assessment of  
ischemic heart disease (*article*), October 1,  
p. 1126

#### **corrections**

combination antiretroviral therapy for HIV  
infection (*article*), October 1, p. 1084

cultural aspects of caring for refugees (*med  
soc*), July, p. 52

drugs for conversion of atrial fibrillation  
(*article*), October 15, p. 1306

high-altitude medicine (*article*), September 15,  
p. 867

hyperparathyroidism (*article*), July, p. 52  
management of withdrawal syndromes and  
relapse prevention in drug and alcohol  
dependence (*article*), September 15, p. 867

preterm labor: diagnosis and treatment  
(*article*), September 15, p. 867

SIDS: counseling parents to reduce the risk  
(*article*), July, p. 52

slipped capital femoral epiphysis (*pat ed*),  
July, p. 52

#### **corticosteroids**

different look at corticosteroids (*article*),  
August, p. 443

#### **cough**

appropriate use of antibiotics for URIs in  
children: part II. Cough, pharyngitis and the  
common cold (*article*), October 15, p. 1335

chronic cough (*photo*), December, p. 2093

office approach to the diagnosis of chronic  
cough (*article*), December, p. 2015

#### **counseling**

dealing with loss in multiple pregnancies (*let*),  
December, p. 1969

management of female sexual assault (*article*),  
September 15, p. 920

management of withdrawal syndromes and  
relapse prevention in drug and alcohol  
dependence (*article*), July, p. 139

pregnant teen: defusing a family crisis (*curb  
con*), November 1, p. 1680

use of evidence-based studies in the application  
of GAPS (*let*), November 1, p. 1550

#### **cutaneous neoplasm**

recognizing neoplastic skin lesions: a photo  
guide (*article*), September 15, p. 873

#### **cutaneous vascular lesions**

Henoch-Schönlein purpura: a review (*article*),  
July, p. 405

#### **cytochrome P450**

use of cytochrome P450 and prolonged  
prothrombin time (*let*), October 1, p. 1070

### **D**

#### **deafness**

cost of treating deaf and hard-of-hearing  
patients (*let*), September 1, p. 659

#### **death**

dealing with loss in multiple pregnancies (*let*),  
December, p. 1969

death pronouncement: survival tips for  
residents (*res stu voice*), July, p. 284

pictures of fatal bedrail entrapment (*let*),  
November 15, p. 1755

role of the family physician in hospice care  
(*let*), October 15, p. 1305

understanding anger in parents of dying  
children (*curb con*), October 1, p. 1211

#### **deep venous thrombosis**

drugs for conversion of atrial fibrillation  
(*article*), August, p. 471

#### **dementia**

advances in the treatment of Alzheimer's  
disease (*article*), November 1, p. 1511

new drugs for Alzheimer's disease (*article*),  
October 1, p. 1175

# Index to Volume 58

senile dementia of the Binswanger's type  
(*article*), December, p. 2068

## depression

practical management of treatment-resistant depression (*article*), December, p. 2059

psychiatric review of symptoms: a screening tool for family physicians (*article*), November 1, p. 1617

using DSM-IV primary care version: a guide to psychiatric diagnosis in primary care (*article*), October 15, p. 1347

## dermatitis

waist no time (*photo*), October 1, p. 1185

## dermatology

chronic papular eruption of the skin (*photo*), July, p. 199

different look at corticosteroids (*article*), August, p. 443

diffuse papular eruption (*photo*), October 15, p. 1463

recognizing neoplastic skin lesions: a photo guide (*article*), September 15, p. 873

waist no time (*photo*), October 1, p. 1185

## diabetes mellitus

diagnosis and classification of diabetes mellitus: new criteria (*article*), October 15, p. 1355

new diabetes guidelines: a closer look at the evidence (*ed*), October 15, p. 1287

simplifying the diagnosis of diabetes mellitus (*ed*), October 15, p. 1290

## diagnostic imaging

new devices diagnose osteoporosis without x-rays (*FDA*), September 15, p. 995

## dietary supplements

consistent claims for dietary supplements (*FDA*), September 15, p. 998

## discipline

AAP issues policy statement on parental discipline of children (*med rep*), September 15, p. 1001

## donepezil

advances in the treatment of Alzheimer's disease (*article*), November 1, p. 1511

new drugs for Alzheimer's disease (*article*), October 1, p. 1175

## DOT

DOT examinations: practical aspects and regulatory review (*article*), August, p. 415

## driving

DOT examinations: practical aspects and regulatory review (*article*), August, p. 415

## drug abuse

management of withdrawal syndromes and relapse prevention in drug and alcohol dependence (*article*), July, p. 139

NIH consensus panel advocates increased access to treatment for opiate addiction (*med rep*), September 1, p. 786

## drug approvals

effectiveness of drugs in the pediatric population (*FDA*), September 15, p. 996

FDA approves thalidomide for Hansen's disease (*FDA*), September 15, p. 997

keeping abreast of new drug approvals and labeling changes (*FDA*), September 15, p. 995

## drug labeling

effectiveness of drugs in the pediatric population (*FDA*), September 15, p. 996

keeping abreast of new drug approvals and labeling changes (*FDA*), September 15, p. 995

## DSM-IV

using DSM-IV primary care version: a guide to psychiatric diagnosis in primary care (*article*), October 15, p. 1347

## dyspnea

breathing space (*photo*), November 15, p. 1829

# E

## ear

appropriate use of antibiotics for URIs in children: part 1. Otitis media and acute sinusitis (*article*), October 1, p. 1113

## eating disorder

psychiatric review of symptoms: a screening tool for family physicians (*article*), November 1, p. 1617

## echinacea

herbal 'health' products: what family physicians need to know (*article*), October 1, p. 1133

herbal medicines and the family physician (*ed*), October 1, p. 1064

## egg allergy

measles, mumps, rubella vaccine and allergy to egg (*let*), September 15, p. 863

## elderly

advances in the treatment of Alzheimer's disease (*article*), November 1, p. 1511

anticoagulation in elderly persons: a call for wider use (*ed*), July, p. 39

breast cancer in older women (*article*), October 1, p. 1163

constipation in the elderly (*article*), September 15, p. 907

guidelines from the American Geriatric Society target management of chronic pain in older persons (*med rep*), October 1, p. 1213

heat-related illnesses (*article*), September 1, p. 749

home health care (*article*), November 1, p. 1608

Medicare-financed home health care (*ed*), November 1, p. 1542

new drugs for Alzheimer's disease (*article*), October 1, p. 1175

role of the family physician in hospice care (*let*), October 15, p. 1305

senile dementia of the Binswanger's type (*article*), December, p. 2068

warfarin therapy for elderly persons with atrial fibrillation (*let*), July, p. 45

## endoscopic ultrasonography

functional endoscopic sinus surgery (*article*), September 1, p. 707

## enzymes

use of cytochrome P450 and prolonged prothrombin time (*let*), October 1, p. 1070

## ephedrine

herbal 'health' products: what family physicians need to know (*article*), October 1, p. 1133

herbal medicines and the family physician (*ed*), October 1, p. 1064

## epidural analgesia

complications of epidural analgesia during labor (*ed*), November 15, p. 1743

epidural analgesia during labor (*article*), November 15, p. 1785

## erythema nodosum leprosum

FDA approves thalidomide for Hansen's disease (*FDA*), September 15, p. 997

## estrogen

oral contraceptive use during the perimenopausal years (*article*), October 15, p. 1373

## examination

DOT examinations: practical aspects and regulatory review (*article*), August, p. 415

## exercise

heat-related illnesses (*article*), September 1, p. 749

## exertional collapse

heat-related illnesses (*article*), September 1, p. 749

## external cephalic version

external cephalic version (*article*), September 1, p. 731

## eye

pediatric vision screening for the family physician (*article*), September 1, p. 691

## F

### family practice

AAFP/ACOG educational and practice guidelines (*ed*), July, p. 38

death pronouncement: survival tips for residents (*res stu voice*), July, p. 284

family physician and international adoption (*ed*), December, p. 1958

herbal 'health' products: what family physicians need to know (*article*), October 1, p. 1133

herbal medicines and the family physician (*ed*), October 1, p. 1064

hospitalist concept: another dangerous trend (*ed*), August, p. 339

hospitalists and the family physician (*ed*), August, p. 336

impact of family physicians on mammography screening (*ed*), September 15, p. 854

office approach to the diagnosis of chronic cough (*article*), December, p. 2015

pediatric vision screening for the family physician (*article*), September 1, p. 691

pregnant teen: defusing a family crisis (*curb con*), November 1, p. 1680

primary care of international adoptees (*article*), December, p. 2025

psychiatric review of symptoms: a screening tool for family physicians (*article*), November 1, p. 1617

relationship between the patient and the medical student (*let*), October 15, p. 1305

role of the family physician in hospice care (*let*), October 15, p. 1305

sarcoidosis: a primary care review (*article*), December, p. 2041

using DSM-IV primary care version: a guide to psychiatric diagnosis in primary care (*article*), October 15, p. 1347

### FDA approvals

effectiveness of drugs in the pediatric population (*FDA*), September 15, p. 996

keeping abreast of new drug approvals and labeling changes (*FDA*), September 15, p. 995

new devices diagnose osteoporosis without x-rays (*FDA*), September 15, p. 995

### fetal surveillance

common peripartum emergencies (*article*), November 1, p. 1593

intrauterine growth restriction: identification and management (*article*), August, p. 453

intrauterine growth retardation (*article*), October 15, p. 1384

### feverfew

herbal 'health' products: what family physicians need to know (*article*), October 1, p. 1133

herbal medicines and the family physician (*ed*), October 1, p. 1064

### foot injury

Lisfranc injury of the foot: a commonly missed diagnosis (*article*), July, p. 118

## G

### garlic

herbal 'health' products: what family physicians need to know (*article*), October 1, p. 1133

herbal medicines and the family physician (*ed*), October 1, p. 1064

### gastroenteritis

gastroenteritis in children: principles of diagnosis and treatment (*article*), November 15, p. 1769

### Ginkgo biloba

herbal 'health' products: what family physicians need to know (*article*), October 1, p. 1133

herbal medicines and the family physician (*ed*), October 1, p. 1064

### glucose

diagnosis and classification of diabetes mellitus: new criteria (*article*), October 15, p. 1355

new diabetes guidelines: a closer look at the evidence (*ed*), October 15, p. 1287

simplifying the diagnosis of diabetes mellitus (*ed*), October 15, p. 1290

### Gomco clamp

Gomco circumcision: common problems and solutions (*article*), September 15, p. 891

### growth rate

assessment of abnormal growth curves (*article*), July, p. 153

### gynecology

AAFP/ACOG educational and practice guidelines (*ed*), July, p. 38

appropriate use of the intrauterine device (*article*), December, p. 2077

common peripartum emergencies (*article*), November 1, p. 1593

complications of epidural analgesia during labor (*ed*), November 15, p. 1743

epidural analgesia during labor (*article*), November 15, p. 1785

intrauterine growth restriction: identification and management (*article*), August, p. 453

intrauterine growth retardation (*article*), October 15, p. 1384

IUDs: time for a renaissance (*ed*), December, p. 1963

management of female sexual assault (*article*), September 15, p. 920

treatment strategies for premenstrual syndrome (*article*), July, p. 183

## H

### Hansen's disease

FDA approves thalidomide for Hansen's disease (*FDA*), September 15, p. 997

### health care

consistent claims for dietary supplements (*FDA*), September 15, p. 998

cost of treating deaf and hard-of-hearing patients (*let*), September 1, p. 659

home health care (*article*), November 1, p. 1608

hospitalist concept: another dangerous trend (*ed*), August, p. 339

hospitalists and the family physician (*ed*), August, p. 336

Medicare-financed home health care (*ed*), November 1, p. 1542

NIH panel identifies 11 principles for HIV therapy (*med rep*), September 1, p. 783

relationship between the patient and the medical student (*let*), October 15, p. 1305

role of the family physician in hospice care (*let*), October 15, p. 1305

U.S. Public Health Service updates guidelines for HIV prophylaxis in health care workers (*med rep*), December, p. 2165

### hearing loss

cost of treating deaf and hard-of-hearing patients (*let*), September 1, p. 659

### heart disease

AHA updates guidelines for carotid endarterectomy (*med rep*), November 15, p. 1898

anticoagulation in elderly persons: a call for wider use (*ed*), July, p. 39

cardiovascular risk profiling in blacks: don't forget the lipids (*ed*), November 1, p. 1541

carvedilol: the new role of beta blockers in congestive heart failure (*article*), November 1, p. 1627

### warfarin

anticoagulation in elderly persons: a call for wider use (*ed*), July, p. 39

drugs for conversion of atrial fibrillation (*article*), August, p. 471

indications for anticoagulation in atrial fibrillation (*article*), July, p. 130

use of cytochrome P450 and prolonged prothrombin time (*let*), October 1, p. 1070

warfarin therapy for elderly persons with atrial fibrillation (*let*), July, p. 45

### withdrawal symptoms

management of withdrawal syndromes and relapse prevention in drug and alcohol dependence (*article*), July, p. 139

## X

### x-rays

new devices diagnose osteoporosis without x-rays (*FDA*), September 15, p. 995

## Y

## Z

### zidovudine

recommendations for the use of antiretroviral drugs in pregnant women infected with HIV (*med rep*), July, p. 261

## Patient Information Index

### adoption

health aspects of international adoption, December, p. 2031

### Alzheimer's disease

when the diagnosis is Alzheimer's disease, November 1, p. 1589

### asthma

managing your asthma flare-ups, July, p. 109

### birth control

intrauterine device (IUD), December, p. 2087

very-low-dose birth control pills in mid-life (perimenopause), October 15, p. 1381

### breech birth

what can I do if my baby is breech? September 1, p. 744

### cancer

how to prevent skin cancer, September 15, p. 887

### children

health aspects of international adoption, December, p. 2031

otitis media with effusion, October 1, p. 1123

proteinuria in children, October 1, p. 1158

runny nose in children, October 15, p. 1345

strabismus (cross-eyes), September 1, p. 703  
what is Henoch-Schönlein purpura? August, p. 411

### colds

caring for acute sinusitis, November 15, p. 1805

runny nose in children, October 15, p. 1345

### cross-eyes

strabismus (cross-eyes), September 1, p. 703

### diabetes

do I have diabetes? October 15, p. 1369

### ears

otitis media with effusion, October 1, p. 1123

### elderly

when the diagnosis is Alzheimer's disease, November 1, p. 1589

### estrogen

very-low-dose birth control pills in mid-life (perimenopause), October 15, p. 1381

### female reproductive system

premenstrual syndrome: getting relief, July, p. 197

### gynecology

intrauterine device (IUD), December, p. 2087

### heart disease

managing your congestive heart failure, November 1, p. 1641

### heat-related illnesses

preventing heat illnesses, September 1, p. 759

### Henoch-Schönlein purpura

what is Henoch-Schönlein purpura? August, p. 411

### HIV, AIDs and STDs

what to do if you're raped, September 15, p. 929

### infections

caring for acute sinusitis, November 15, p. 1805

otitis media with effusion, October 1, p. 1123

runny nose in children, October 15, p. 1345

tinea infections: athlete's foot, jock itch and ringworm, July, p. 177

### international adoption

health aspects of international adoption, December, p. 2031

### international travel

international travel: tips for staying healthy, August, p. 401

### intrauterine device

intrauterine device (IUD), December, p. 2087

### intrauterine growth

intrauterine growth restriction: when your baby stops growing before birth, August, p. 465

IUGR—why is my baby small and what can be done about it? October 15, p. 1393

### lungs

you have sarcoidosis: what does this mean to you? December, p. 2055

### medicines

caring for acute sinusitis, November 15, p. 1805

managing your congestive heart failure, November 1, p. 1641

### menopause

very-low-dose birth control pills in mid-life (perimenopause), October 15, p. 1381

### menstrual disorders

premenstrual syndrome: getting relief, July, p. 197

### mental health

when the diagnosis is Alzheimer's disease, November 1, p. 1589

### otitis media

otitis media with effusion, October 1, p. 1123

### perimenopause

very-low-dose birth control pills in mid-life (perimenopause), October 15, p. 1381

### pregnancy

intrauterine growth restriction: when your baby stops growing before birth, August, p. 465

IUGR—why is my baby small and what can be done about it? October 15, p. 1393

what can I do if my baby is breech?

September 1, p. 744
